- **Removes all finishes from all surfaces**
- **Easy cleanup**
- **Virtually Odorless**
- **Contains no Methylene Chloride, N-Methyl-Pyrrolidone or caustics**
- **Available in gel or liquid form**

## NATURALLY STRIPS MULTI-COMPONENTS EPOXIES AND URETHANES

Zen-Strip Natural Paint Stripper is an environmentally friendly, biodegradable, low odor paint stripper designed to remove multiple layers of various types of coatings. Zen-Strip performs by penetrating and softening the paint film. The all natural and biodegradable characteristics make Zen-Strip safe, easy to use and practical for most stripping applications. Zen-Strip will not damage tools and equipment like most chemical strippers.
